

The mobile health clinic was purchased by the Riverside County Regional Medical Center Foundation in partnership with KB HOME, which has committed to help raise \$1 million by 2021 in support of the medical center and Foundation. The mobile clinic offers an important access to children and adults living in Riverside County who are uninsured, or who have recently lost their health insurance coverage.

About the RCRMC Foundation

The RCRMC Foundation was formed in 1989 as a non-profit organization. The mission of the Foundation is to support Riverside County Regional Medical Center by providing comprehensive and vigorous programs of community awareness and education, public relations and fundraising activities.
